

## ADMISSION RULES

Although Christ College is a Christian-Catholic Minority Institution, the College admits all students irrespective of their religion, caste, creed or place of birth. They are welcomed as they are and are helped to grow in their own cultural, social and religious tradition. Students are selected on the basis of merit provided they should have good conduct and character.

Merit seat admission for under graduate programme in Arts and Science Colleges affiliated to Mahatma Gandhi University are done through Centralized Allotment Process (CAP). (For more details visit [www.mgu.ac.in](http://www.mgu.ac.in))

Application forms for Management quota, Community quota, Cultural, Sports and physically handicapped quota are available in the College Office.

Defective Application Forms in any respect will be summarily rejected.

The selected applicant has to report to the Principal for interview on the date fixed and produce the documents called for, accompanied by parent or guardian. The selected students will only be admitted on payment of the first installment of fees. The following documents have to be produced at the time of admission.

### Documents to be submitted at the time of Admission.

- Higher Secondary Mark List along with one attested copy of the same
- Transfer Certificate.
- Course and Conduct Certificate from the Head of the institution last attended.
- Three Passport Size Photos with Name and Application Number written on a separate sheet of paper.

Mark list of the qualifying examination and other certificates once submitted in the College Office will not be returned to the students except in case of discontinuing or completing their studies.

The students are advised to keep in their hands attested copies of these documents. Fees once remitted shall not be refunded.

The Principal of the college reserves to himself the right to reject admission to any student without assigning reasons in the interest of the institution and for the sake of discipline.

Christ College Kattappana is yet another centre of prestigious higher education initiative of the congregation of Carmelites of Mary Immaculate (CMI), the first indigenous religious congregation in the Catholic Church of India founded by St. Kuriakose Elias Chavara at Mannanam, Kerala in 1831.

The CMI congregation has established and successfully manages several par excellent higher educational institutions in India. To name a few: Christ University - Bengaluru, Kristu Jayanati College - Bengaluru, Christ College - Pune, Rajagiri Group of Colleges - Kochi, SH College - Thevara, Christ College - Irinjalakuda, Devagiri College - Kozhikode, KE College - Mannanam, St Joseph's College - Moolamattom, Mary Matha College - Periyakulam - Theni, Marygiri College - Koothattukulam and so on.

### PG DEPARTMENT OF ENGLISH

The Department of English commenced in the year 2015. The core objective of the course is to educate the students in English language through the study of literature. Literature is a way of life, a religion and a panacea for all steps of life. It is a three-year course focusing on multiple theories and genres of language and literature. Along with English Literature, a glimpse of other literatures are also been taught, among which the notable one is Indian English Writings. The department is blessed with both UG and PG courses.

English is the study of literature, linguistics and philosophy of the English language. Literature is not every man's lot. It belongs to the philosopher's class. Anyone can master

the languages but aesthetics mantle falls on a few selected ones. Literature helps in physical, mental intellectual and spiritual growth. It is the magic glass to look into the world with a peculiar eye. Here you travel with minds belonged to classical ages. You will be acquainted with many men of wisdom and fall in love with a few like Shakespeare, Wordsworth etc. Literature is a spacious valley and English being recognized as the universal language, the department is keen in facilitating students with good communication skills. This is evident from the training programmes and add - on - courses that the department provides. The department also provides a platform for the self-improvement of the students by letting them participate in various intra and inter collegiate academic oriented events.

### DEPARTMENT OF MANAGEMENT

The Department of Management (BBA) was established in 2015. Management education will equip the budding managers with conceptual, theoretical and practical knowledge in various aspects of business sensing the requirements of dynamic economic and business environment. We train and equip students to keep abreast of changes.

Management education touches various fields of study like Management, Marketing, Research Methodology, Human Resource Development, Law, Finance and Accounting. The Department of Management aims at creating and disseminating knowledge and ensuring continuous supply of knowledgeable, active and professionally committed managers, who look for creativity and innovation. The students are given exposure through projects work, industrial visit and various training programs. The Department of Management always ensure to deliver an industry relevant degree.

### OUR CORE VALUES

- FAITH IN GOD
- MORAL UPRIGHTNESS
- LOVE FOR FELLOW BEINGS
- SOCIAL RESPONSIBILITY
- PURSUIT OF EXCELLENCE

**St. Kuriakose Elias Chavara**  
1805 - 1871  
Founder - CMI Congregation

**Vision**  
We are the blessed ones of God, gifted with manifold talents and abilities. We aim at reaching excellence in learning through diligence and service — service of humanity for the glory of God and for the well being of all.  
Christ is the light that enlightens our thoughts, words and deeds so that we may bring the light of God to each and every one around us.

**Mission**  
Inspired by and carrying the legacy of the founder of the CMI religious congregation, St. Kuriakose Elias Chavara, we are committed to the mission of education in order to realize his vision that calls for service to all.  
"Days on which you have not rendered any good to others will not be counted among the days of your life."  
- St. Chavara

### PG DEPARTMENT OF COMMERCE

The PG. Department of commerce is the largest and one of the competent and dynamic sections of Christ College. This department offers courses having specialisations in Taxation, Computer Application, Travel & Tourism and Co-operation. The department of commerce also provides a wide spectrum for extracurricular activities as well as activities for students personality development. The department is keen in providing better academic resources along with co-curricular activities like conducting Industrial Visits, Entrepreneurial Training and organising various Fest and Workshops.

M.Com. - Even though the Department of Commerce came into being in 2014, the M.Com. course started in 2019. Master of Commerce or M.Com is a post graduate level course ideal for candidates who wish to make a career in teaching, banking and financial services. This two year course develops deeper knowledge into the functioning of economy, capital, revenue, trade, taxes etc that were taught in B.Com. graduate courses.

B.Com. Courses  
Finance & Taxation – Gives special emphasis to matters related to finance and taxation. This course offers wide scope in the present day merchandise. One of the biggest taxation reforms in India- Goods and Service Tax (GST) is integrating state economies and

boosting the overall growth of Indian economy. This stream helps the students to take advantage of the changing Indian economic structure.

Computer Application – Modern society where accounts trade and Commerce are digitally managed with the help of information technology, the scope of C.A. never ends. The course offers theoretical and practical knowledge by using well-equipped labs with stable internet facility and students come out of the college with all employable skills as per the requirements of modern companies.

Travel and Tourism – This course is specially designed to produce professional human resources for the exponentially changing travel and tourism industry. The students aspire for travel and tourism because of a desire to get a job in national and multinational hotel industry as well as government sectors in the world. The travel and tourism graduates can enjoy their life by travelling around the world and earn a livelihood if they get an employment in this field.

Co-operation – The ever growing Co-operative Sector has a pivotal role in the development of the rural economy and they are in search of qualified and innovative personnel to fill up the posts of secretaries, accountants etc. In this three year course, the students will study all the commerce papers along with Basis of Co-operation, Management of Co-operative Enterprises, Co-operative Legal System and Accounting for Co-operative Societies.

### PG DEPARTMENT OF SOCIAL WORK MSW (MASTER OF SOCIAL WORK)

The Department of Social Work was established in 2021. The Department aims to prepare students to integrate knowledge, skills, and values into practice. The students should acquire values such as selflessness, devotion and service which are blended with social work skills and social sensitivity that transform them into successful professionals of tomorrow.

Social Work is an integral part in the corporate sector, government, and non-government organizations in India as well as abroad. The Department of Social Work is actively involved in providing evidence-based, quality oriented social work education through most advanced and emerging domains of practice, research and field interventions. It has also engaged itself in strengthening social work practice, research and field projects.

Field practicum is an inevitable part of MSW course. The purpose of social work practicum is to prepare students for social work practice by providing them opportunities to integrate knowledge with practice thereby expertising them to be professionals in future.

### DEPARTMENT OF COMPUTER SCIENCE

The Department of Computer Science commenced in the year 2015. Today's social formation and material progress are the results of information technology. We cannot even imagine the world without computers. It is an unavoidable necessity even in a run – by – one firm.

The increase in the need of skilled persons in the field of technology has provided an immeasurable scope to the job seekers. It has become one of the major job providing courses in the world.

Computer Science is an interdisciplinary science and its scope include study of computation, computer technology, hardware and software. Computer science field of study can be broadly split into two streams. These two streams include Theoretical Computer Science and Applied Computer Science.

The Computer Science department of Christ college works exceptionally well with the implementation and execution of fresh methods of technological pedagogy. It involves both theoretical and practical lessons. So we invite you to this arena of knowledge, to get yourself ready to be professional in the IT field.

### DEPARTMENT OF ECONOMICS

The Department of Economics was established in 2014. Economics is a 'sought after' subject among the group of Social science. It studies about solving the issues in ever changing dynamic economy and individual problems.

The Department of Economics is one among the first three departments in Christ College. The course BA Economics as per the MG University norms facilitates to analyze economic behavior and societal adaptation to economic policies. We the faculty of Economics relentlessly work diligently to achieve the objectives of the program and illuminate our students to meet the growing economic standards.

The program helps the students to improve skills through different activities namely presentation, debates, discussions and mould them to be the future vibrant economists of our nation.

### Ragging Free Campus

Ragging - Govt. Ordinance: Students are advised to note the Ordinance passed by Kerala Government banning ragging in and outside the College Campus.

THE KERALA PROHIBITION OF RAGGING ACT, 1998\* (Act 10 of 1998) An Act to Prohibit ragging in educational institutions in the State of Kerala.

Ragging – Meaning: Display of noisy disorderly conduct, doing any act which causes or is likely to cause physical or psychological harm or raise apprehension or fear or shame or embarrassment to a student, teasing, abusing or playing pranks on or causing hurt to any student, asking a student to do any act or perform something which such student is not willingly to do, whoever commits, participates in acts or propagates ragging will be punished.

Punishment: Rigorous Imprisonment (RI) for a period of 2 years with a penalty of Rs. 10,000/- and immediate expulsion from the educational institution without any enquiry and with no provision for joining any other institution.

Ragging is strictly prohibited in the campus. An Anti-Ragging cell is formed in the college to address the grievances of the students.

The decision of the Principal is final.
