ANNUAL REPORT 2014-2015

Rev. Fr. Dr. Jose Nedumpara CMI

The Kerala society at the time of St. Chavara was very much backward in social, cultural and educational levels. St. Chavara was the visionary leader of the time who envisaged many plans for the spiritual and social progress of Church and the society. His educational contributions laid a strong foundation for a just society in which all human beings are worthy of education, justice, respect and dignity. His educational reforms brought a new dawn in educational systems of Kerala. He is credited with two congregations, printing press and publications, a Sanskrit school, schools adjoined to every Parish church and boarding school attached to convent. Christ College Pullyamala is yet another landmark in the history of St. Joseph Province of the Carmelites of Mary Immaculate (CMI). The inception of the college is based on the vision set by St. Kuriakose Elias Chavara. This college is a center for higher education in Idukki District, run by the Carmel Vidya Peet Trust, affiliated to Mahatma Gandhi University, Kollam, Kerala. The college had a noble beginning at Chavara Arcade, Kallappana in July 2014 with 3 courses (B.Com FAT, B.Com C.A., B.A. Economics), 78 students and 8 full time academic faculty.
