A warm greetings and a happy morning to you all.

Six years for an institution is a worthy stage where one can start matching expectations with results, objectives with achievements and above all blessings enjoyed with difficulties and hardships endured. It is a day of retrospection, Christ College just six years young, has emerged as an institution with difference, a promising institution of the region of high-range, providing value added quality education to the youngsters in arts and science and above all it is an institution striding towards excellence by the CMI Congregation.

It's a privilege to let you all know that we are implementing the vision and mission of St. Kuziakose Elias Charalaba, the founder of the CMI Congregation who was the pioneer in the field of education. Our prime motive is to establish a value-based higher education hub to meet the challenges of Global competitiveness and for that several steps are being undertaken for the multi-dimensional growth of the institution and

the development of the society by giving quality and promising education to the young buds of the high-barge in accordance with our motto "Light to Enlighten".

The college day Christolite 1-20 is a day of commemoration and celebration. We come together to recognize what we have achieved in the past year and what we need to do for the coming years. We honour our achievers, we honour the deserving and we recognize the contributions made.

As I look back, this academic year has brought many accomplishments and also made us see the gaps in some areas where there is a definite scope for improvement. The most important in this solemn occasion, I duly acknowledge the uplifting efforts and incomparable services of my forebunness and the superiors of the St. Joseph's Province, Kottayam whose initiatives and innovations have played a pivotal role to cherish our college and to mould it as one of the prime arts and science college for higher education in high-barge.

Our College

Christ College was established in the year 2014 with very few students and teaching staff. The college developed itself over the last few years to become a desired destination for the talented young men and women for their higher education.

During the academic year 2019-20, we have 672 students pursuing 7 UG courses and a PG course. The commencement of the PG course is like adding another feather to the crown. The curriculum growth of UG and PG courses indicates a continuous explorative experience in quality education. We have 38 well-qualified faculty members and 15 non-teaching staff members on the roll. It is all the history and it is the future that beckons us and I have immense pleasure to unfold our aspirations for tomorrow and seek your active patronage, cooperation and support.

Christikites

The strength of the Christ College is the performance of the students, Christikites. Down the years Christikites have proved extremely well in academic and non-academic level and fortunately this year has no exception as well. Our Christikites have continued to excel and we applaud the alumni for their contribution to humanity at large. Our alumni represents us wherever they go and it is that is the inherent strength of the college.

Academic Year 2019-20

We began the academic year 2019-20

On June 3rd 2017. Prayerful welcome greeted all the students and, as a sacred duty, the academic year commenced with a holy mass and the bell of merriment was sounded. The first-year classes commenced on 23rd June with a prayer meeting and the opening day was filled with the invaluable presence of beloved parents and the day became a memorable day with a message delivered by Rev. Fr. Jose Paschattu CMI, the Manager and the Director of Christ College and Carmel CMI Public School, Puliyamala.

ASTOUNDING ACHIEVEMENTS AND PARTICIPATIONS.

I am proud to report that Christites have performed well in the university examination and brought laurels to the college by their excellent results. We achieved 86% pass percentage, the highest pass percentage in the history of our college. It includes the students scoring first class with distinction marks. This is possible because of the continuous efforts by the dedicated faculty members under the able planning and the co-ordination of HONs Ms. Boban I. Augustine and Ms. Ann. Mary Augustine, College Coordinators Ms. Tony Mathew, Paricker, Controller of the examination, Mrs. Arithamol GS and the coordinator of Christites and PIA Ms. P.V. Devasia. I take this opportunity to congratulate

the dedicated faculties, my beloved brethren, for their incredible contributions towards the academic and for their commitment of taking extra classes with remedial measures to improve the academic strength of our beloved Christians. In order to attract quality students to the institution and to bring the mission and objectives of the management into reality, it is planned to congratulate the batch toppers in each streams with awards.

Conclusion

On behalf of the whole college community I would like to conclude my account of presenting the Annual Report with a few statements. The fragorance of our growth is unique and unavoidable in this district. It is one of the legacy of CMI zeal and zest, with the love and benevolence of our almighty God. The togetherness of us made it and it will continue in all its essence in future. This venture became a success only through the constant inspiration of our founding fathers and 'guru' St. Kuziakose Elias Chavara. It is through his life and deeds and following his path that we have made

out of this journey. Before ~~the~~ draw the concluding words, I take this opportunity to thank the almighty God, who is the source of our life and being.

I would like to offer my heartfelt gratitude to my congregational superior, manager, Vice-Principal, the directors, faculties and non-teaching staffs. You are a cohesive group of people who have worked hard all years to achieve our shared goals. Our Christians are indeed very caring, capable and talented hands.

A special thanks goes to our honorable Chief Guest Justice Antony Dominic, the honorable retired Chief Justice of the High Court of Kerala and the Keynote speaker Prof. Tomichan Joseph for their valuable presence to the non-teaching staff. Many thanks for the wonderful roles you play in our college.

A principal could not ask to work with a more efficient, friendly, supportive, talented, professional and working team. To my fabulous and hardworking Vice-Principal and HOD's. We have achieved much that we can be proud of this year - much of it behind the scenes, but none the less so important to the richness, color, progress and culture of our college. I sincerely thank our beloved parents whose constant support and encouragement is the backbone of our college. The unavoidable factors, the pillars

of our institution is our students, whose support and hardwork made this programme a big success - the words of thanks are not enough to express the gratitude towards them.

Once again I am expressing my sincere gratitude towards all of you and may the Almighty bless all of us abundantly

Thanking You

Jai Hind
