## **Annual Report 2021-22**

### **Academic year 2021-2022**

The academic year 2021-2022 consisted of both online and offline classes. Christ College has been an outstanding and significant one with numerous curricular, co-curricular and extra-curricular activities in a distinct manner. Christ College is carrying out the vision and mission of ST. Kuriakose Elias Chavara, the founder of the CMI congregation who was the pioneer in the field of education. The prime motive of Christ College is to provide quality education with a well-disciplined academic system and unquestionable placements with attractive salaries along with excellent service to the people of high range in accordance with our motto "Light to Enlighten". God has been abundantly generous in guiding all through the years and providing with lofty goals for educational enterprises.

### **Christ College**

Christ College Puliyanmala, Kattapana is a premier institute of higher education affiliated to Mahatma Gandhi University, Kottayam, Kerala. It was established in 2004. It is a Christian Minority education institution run by the CMI congregation. Christ College aims to nurture professionally competent, socially committed and spiritually enlightened youngsters, enabling them with futuristic education coupled with worthy human values. The College infrastructure partners in creating a favorable environment for learning. Christ College ensures specialized excellence in academics and social, physical, emotional and spiritual empowerment of the students. The College completed seven successful years and has made an indelible impression in the current education scenario. From Darsana Arcade to Puliynamla, the journey was tough but inspiring. The College never withdrew from upholding the values of Diligence, Service and Excellence. By the benevolence of Almighty and collaborative teamwork, the College has reached 7 UG courses and 3 PG courses with 570 students and 51 Academic Scholars in various Departments by the year 2021-22.

### **Academic year 2021-2022**

This inspiring academic year continued in the online-offline mode but later the offline system came into prominence. The students of Christ College, united under the title Christites, strongly exhibited keen interest in showcasing their innate talents and hidden potentials. The academic year 2021-2022 began on 1<sup>st</sup> June 2021, with an online prayer session seeking the blessings of God Almighty which was followed by regular classes on zoom learning platform.

During the pandemic time the College organized various Workshops and awareness programs in the online mode for teachers and training sessions for students to make them aware of online teaching methods as well as evaluation and assessment. Special programs were also conducted to make the classes interesting and more effective. These preparations really improved the quality of the curriculum delivery and teaching-learning process during this academic year. The academic calendar was revised in accordance to the University academic calendar which was then published and the classes commenced accordingly. This report is a short account of the various administrative and academic accomplishments and honors we attained during the academic year, 2021-2022.

### **Highlights of the Academic Year**

#### **1. Continuing the legacy of Digitalization of Learning Programme.**

The College preferred the Paid Zoom App for its online classes and other meetings. The transition to an online format for education has been rapid and impacted both students and Faculty. Apart from preparing the students to qualify for purely academic demands, special efforts are being made continuously to enable them to face the challenges of the competitive world.

Some of the digital enabled tools for effective teaching learning process are the following:

- The College follows a completely web-enabled attendance management system. Absentees were monitored regularly by forwarding names to their parents through mobile.
- During the 5-class hours there was a 15 minutes break after every zoom session.
- The College has an automated digital library.
- FDP Program conducted for the teachers to enable them with online platforms and digital learning tools.
- The College has a well-equipped Computer Lab.
- The College has adopted an online system for assignment submission.
- Many teachers use microphone connected speakers to enable them to reach to all the students in the classroom effectively.

#### **2. New programme sanctioned by the government**

The academic year marked another step-forward in the history of Christ College Puliyanmala. It was in this academic year, the Government of Kerala sanctioned a new programme, Master of

Social Work, which was inaugurated on 25/11/2021. It is a two year Post Graduate programme, which expands the levels of education for the social worker and may help prepare social workers for clinical or supervisory licensure. The College now possesses three Post Graduate Departments.

### **3. Remarkable Achievements and participation.**

Christ College makes continuous and conscious efforts to enable the Christites to realize their potential and evolve as leaders and transforming agents of society. The Christites have performed extremely well in their University examination. Aswin C Nair, student of 2019-2022 batch, from the Department of Commerce secured 2<sup>nd</sup> Rank in the University examination. Continuous evaluation and Internal examinations are one of the biggest traits of Christ College and the full credits goes to the exam wing and Ms. Anitha Mol C.S for her meticulous planning and flawless execution.

Some of the methods employed by the College in teaching- learning-evaluation process are;

- 1) Add-on programmes conducted to fill the gaps in knowledge and give proper guidance.
- 2) Academic projects, mini-projects and presentations assigned in all subjects to encourage research approaches and systematic way of learning.
- 3) By the end of the academic year "The Hindu" newspaper was distributed to the students, to enhance the reading habit among the students.
