A sudden meeting was conducted for the student council, teaching staff and non-teaching staff to discuss about the unfair allegations against college and to clarify the stand of college. During the session Father made the members aware about the reality behind this issue. The Principal extended his stand that he will not allow any external force to take the control over the college. As a response to Father's talk, Mobin Abraham of III BA English extended his opinion and support as a representative of the student community. He made a statement that this problem that our college presently faces will be taken as our problem hence we all are a single family.
